

Happy Together - Turtles

Intro Em x 4

Imagine me and you, I do, I think about you day and night, it's only right
to think about the girl you love, and hold her tight, so happy together.

If I should call you up, invest a dime & you say you belong to me and ease my mind,
imagine how the world could be so very fine, so happy together.

I can't see me lovin' nobody but you for all my life !
When you're with me, baby the skies'll be blue for all my life !

Me and you, and you and me, no matter how they toss the dice, it had to be,
the only one for me is you, and you for me, so happy together

I can't see me lovin' nobody but you for all my life !
When you're with me, baby the skies'll be blue for all my life !

Me and you, and you and me, no matter how they toss the dice, it had to be,
the only one for me is you, and you for me, so happy together

Bah ba ba etc.....

Me and you, and you and me, no matter how they toss the dice, it had to be,
the only one for me is you, and you for me, so happy together. So happy together

And how is the weather ? So happy together
Were so happy together ! so happy together Repeat Intro Em x4
