 When the story got around, they came from far and wide  
 F C7 F7  
 When they saw the size of it, everybody cried....

*Bb F7*  
*Oh, what a beauty! I've never seen one as big as that before!*  
*Cm F7 Bb*  
*Oh, what a beauty! It must be two foot long or even more.*  
*Bb7 Eb*  
*Such a lovely colour, so nice and round and fat*  
*C7 F7*  
*I never thought a marrow could grow as big as that.*  
*Bb G7 C7 F7 Bb*  
*Oh, what a beauty - I've never seen one as big as that before.*

 He was leaning on his garden gate just the other day,

 He beckoned to a lady friend, who lived across the way,

 He led her down the garden path and showed her it with pride

 But when she saw the size of it ,the little lady sighed.... + CHORUS

 The flower show, it was held, and everybody went

 To see his great big marrow, lying there inside a tent.

 When the judges came around to give the prizes out  
    F7 C7 F7  
 They only took one look at it, and they began to shout....+ CHORUS

Bb F7  
 And when it came to lockdown, there's nothing much to do  
    F7 Bb  
 I went down to me greenhouse and I said "now c'mon Stu"  
    Bb F  
 I dig up a great patch of lawn and spaced the seedlings out  
    F7 C7 F7  
 So when they sees my marrow, they'll be no room for doubt....

CHORUS +    G7          C7                    F7          Bb    Eb    Bb  
 No I have never seen one as big as that before.
